- Exhibitors are allowed to place their contact details on their products and in their exhibition areas.
- Exhibitors with jewellery and food stalls (e.g. olives, sauces) are responsible for manning their own stall and the cleaning and filling of tasting bowls.
- If you are going to man your table yourself, indicate it as such on the application form, so that the necessary space can be allocated to you.
- Only items permitted by the selection committee may be exhibited.
- **No service slots will be fulfilled during the market by exhibitors. An amount of R250-00 in place thereof is payable in addition to the table costs.** The table costs and service fee must be paid in together.

a power point - there are limited spaces available that have access to a power point. (We will try our best to accommodate you with a power point, if possible.)

The application must be signed by the exhibitor as confirmation that you accept the market's conditions. Please ensure that you clearly show on the forms what the selling price of every product will be at the market. Prices may NOT be changed during the market.

CLOSING DATE FOR APPLICATIONS

The closing date for applications is 30 JUNE 2025.

Please do not wait until the last day, as the e-mail capacity is too big and it will delay the finalization of the selection. Applications must be sent to kantoor@familiekerk.com or kersmark@familiekerk.com .

Please ensure that you uphold all rules and conditions. Your signed application form as well as a copy of your identification document and photos of the product must be sent to the office before the closing date.

If your application was successful, you will receive an email of confirmation after the selection days.

If your application is not successful you will be notified and no further correspondence or telephone conversation will take place!

SELECTION

- The following will be used as criteria for the selecting of products for the market:
 1. Excellent quality
 2. Fine presentation
 3. Fair prices
 4. Original and creative products

PROCEDURE

Selection will take place electronically. Clear photos of your products must accompany your application. Selection will take place from **1 JULY to 11 JULY 2025**. Exhibitors who offer food products for selection must have a small sample of the products couriered to the Church Office, before the selection date. Exhibitors whose applications were successful will be notified by e-mail from **1 AUGUST 2025**.

PREPARATION AND PACKING UP AT THE TIME OF THE MARKET

Exhibitors can prepare their tables on Tuesday, 25 November 2025.

Arrangements regarding the time when each exhibitor may unpack will be communicated to you.

The stalls must be unpacked by 17h00.

Every exhibitor is responsible for bringing a tablecloth for their table that **hangs to the ground**. Steady stands may be used on tables for exhibiting products. Exhibitors are responsible for preparing their exhibition areas themselves and in cases where this is not possible, you must please make alternative arrangements yourself. *An additional fee will be charged if you request the Christmas market staff to pack up and set up your stall on your behalf.* No nails, drawing pins or glue may be used to attach items to walls, doors or any other property. Extra products may be kept under the table. The personnel will refill your table as far possible with the items underneath. It is therefore of the utmost importance that exhibitors will ensure they have enough products for the duration of the market. It is still the exhibitor's responsibility to keep an eye on the number of products still on your table or to ask someone to keep an eye on it for you.

If you require storage space for extra stock that can NOT be stored under the table, please make arrangements directly with the office to book extra storage space.

The Stellenbosch Kersmark ends on Saturday, 6 December 2025, at 16:00. An announcement will be made in the food court when you may pack-up your stall. Exhibitors may then start packing up at **16:45 only after** all the clients went pass the pay points, and the announcement has been made.

(Please read Letter addressed to Exhibitors available on the web). **UNDER NO CIRCUMSTANCES MAY PACKING UP TAKE PLACE BEFORE 16:45.**

A friendly request to please be prompt in coming to pack up your table after the market has ended. Please leave the area as tidy as possible. If someone else is packing up for you, please arrange that beforehand with the office,

Under no circumstances can the Christmas market staff unpack the tables or pack up the tables at the end of the market or store the stock, unless prior arrangements for this have been made with the Christmas Market personnel.
